Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 666 pages. Dimensions: 9.0in. x 6.0in. x 1.5in. Christian Warriors When I started writing this story I had no idea where it would end up. The reason for the story is much more direct. I knew I wanted to share how a true believer would react to the job of a warrior. Plus, I needed to cover how a true believing church and pastor would react to an invasion of our country and failed national leadership. I really wanted to write a story about warriors defending our country who are committed believers. Why do we have no teachings on Davids mighty men Why do we never hear about the battle winning acts of Jael, the wife of Heber the Kenite, as prophesied by Deborah Why are all the Old Testament battles glossed over Why do we not hear about Jesus return with a rod of iron to beat the nations into order God is not outside the realities of this world we live in. It may be ruled by the prince of the power of the air for a little while yet, but the outcome is determined by the One whom we serve. Most good is still done through and by His children. The book has radically changed from its birth in the mid-1990s. Our world has changed. The spectacular events like 911, the Gulf Wars, Al Qaeda, the near Depression of 2009, the embassy assaults in the Arab world, and the rest have covered the insidiousness of our real enemies: comfort, complacency, political correctness, and the unwillingness of elected officials to recognize evil--or to even acknowledge its existence. In the midst of all of this, individual warriors have become more important as war becomes unthinkable and politically hazardous--not because of...
