

Green Carrot - America's Work Visa Crisis

By Rajiv Dabhadkar

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book is dedicated to the real life issues in the process of human migration. It discusses people movement that is tied to immigration and trade policy, where workers are treated as a commodity and is not just about selling a product or a service. It is about finding the future. It explores the future of the workers, the corporations and the society at large. The primary objective however is in finding the future. Not just a future in general, but specific futures for the individuals under the care of policies that govern people movement. The focus is the future in the sense that it makes a prediction about where the future lies and then takes specific steps to make that future happen. That's where the subject of human migration comes in. The globalized political and economic system creates illegality by displacing people and then denying the workers rights and equality as they have to do what they have to do in order to survive. Globalization forces people into migration into countries where the ideas of divide...
