Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

MAKING TRACKS: A WHISTLE-STOP TOUR THROUGH RAILWAY HISTORY

Michael O'Mara Books Ltd. Hardback. Book Condition: new. BRAND NEW, Making Tracks: A Whistle-Stop Tour Through Railway History, Peter Saxton, Cherished, admired and frequently used as an excuse for lateness, the railways occupy a special place in our hearts. Trains are not just a practical mode of transport, but also a way of tracing our social history over the past 150 years, from technological progress and design to cultural change and the impact they have had on our landscape. Full of facts, trivia and anecdotes, this engaging compendium looks at the heyday of the railways around the world, chronicling the shift from steam trains to diesel and electric and the challenge of running during two World Wars. This book also includes railway trivia from around the world, from the locomotive to the Japanese bullet train. A broad range of aspects is covered, from the types of trains and services, key people and station architecture, to station pets, accidents and crime, and the depiction of the railways in literature and art. Chock-full of information, and illustrated with line drawings throughout, this miscellany is perfect for railway enthusiasts, history buffs or those who would like to learn more about this fascinating form of transport that is so often taken for granted.
