iUniverse, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For any parent, losing a child to miscarriage, stillbirth, or infant death is devastating. For Patricia McGivern and her husband, Tim, it was no different. They endured fear and physical pain from the miscarriage of their first child. Four years later, Patricia heard a child call to her. Thinking it was her young daughter awakening from her nap, she turned around. But Meghan was not there; she was sound asleep upstairs. The communication continued, and Patricia, seeking guidance from intermediaries, became convinced she was communicating with her miscarried child from beyond. Exploring this connection to her lost son, she was able to communicate with her deceased parents as well. It was a journey that changed Patricia's life as she never could have imagined. With *Angel Babies*, Patricia explores spirit communication with miscarried and other early-loss babies, a phenomenon that's quite universal. Patricia recounts her journey to bridging with her child and how the experiences lead her to become a certified hypnotist. In the course of her research, she met many others who have also communicated with their lost children. Through their inspiring stories, *Angel Babies* offers awareness, hope, and comfort to anyone facing the agony of the loss of a child.
