Brand New Book ***** Print on Demand *****.Everything You Need To Know About Poker and Online Poker A Helpful Guide to the World of Poker. In this book you will find the history of poker. Between 1830 and 1845, Poker was played more by an increasing number of players. It was during this time when the draw was then introduced. However, the term draw was already known in poker s English counter-part, Brag. The addition of the draw and the flush combination boost the pleasure of the game, thus, a second betting interval was made. Poker and Online Poker. It was in 1864 when the combination of straight sequence or rotation was introduced while playing poker. With the addition of straight, an additional rule was introduced where a straight and a flush combination will undeniably outrank a full combination. Poker and Online Poker. The addition of straight in poker was an exhilarating development because, as experts say, without straights and straight flushes, the only highest possible hand would be four aces or four kings and an ace kicker. Poker and Online Poker. In the poker world, this type of combination at hand is not just unbeatable, but cannot be matched or tied. Poker and Online Poker. Everything You Need To Know About Poker and Online Poker In this book you will find the meaning and essence of poker. The Poker game is a game everybody loves. It is played in every card room across the world. With its growing popularity, it even invaded the Internet. Poker and Online Poker. Basically, a poker game is the most popular in a class of games known as the vying game where players who fully conceal or partially conceal...
