It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

THE PORTRAIT

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Portrait, Iain Pears, A dark and disturbing novel of suspense, set at the turn of the 20th century, by the bestselling author of 'An Instance of the Fingerpost'. The windswept isle of Houat, off the coast of Brittany, is no picturesque artists' colony. At the turn of the twentieth century, life is harsh and rustic. So why did Henry MacAlpine forsake London - where he had been feted by critics and gallery owners, his works exhibited alongside the likes of Cezanne and Van Gogh - to make his home in this remote outpost? The truth begins to emerge when, four years into his exile, MacAlpine receives his first visitor. Influential art critic William Naysmith has come to the island to sit for a portrait. Over the course of the sitting, the power balance between the two men shifts dramatically as the critic whose pen could anoint or destroy careers becomes a passive subject. And as the painter struggles to capture Naysmith's true character on canvas, a story unfolds - one of betrayal, hypocrisy, forbidden love, suicide and ultimately murder. 'The Portrait' is a darkly atmospheric, psychologically complex, macabre and chilling novel from a master storyteller.
