By his own account, and in the eyes of a nation, he leads the perfect life. In the two decades since winning a record shattering 386 million dollar Lottery jackpot, his unique rise to A-list celebrity stardom has been rivaled by only the most famous of the famous - not that he would ever admit it. His modesty, sincerity, and genuine blue-collar likability are only some of the qualities which fueled his constant fame. Now, in his retirement, he is rather unwillingly opening up for an exclusive biography. At the same time, Phil, his brother Chase, and their closest friends are hard at work hand building their own high performing, yet highly efficient vehicle. Should their design succeed, it stands to forever transform the perception of truth in the automotive world. Unfortunately, this design draws the attention of Lafayette Oil, the largest crude oil refiner in the country. When Phil refuses their multiple offers to purchase his patent, things turn dire - fast. Almost instantly, Phil's world crashes around him, pinning his resolve against the will of a power greater than he. Join Phil as he relives his past, wrestles with his present, and desperately tries to alter his future. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
