Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Struik Christian Books, South Africa, 2004. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. Ready for Battle Many of us are familiar with the term spiritual warfare but have trouble knowing where to find scriptural guidance on this topic. The Bible is clear that all of us are engaged in battle. The Bible also teaches that perspective is the key to focusing on eternal issues without letting go of the realities of living on earth. This study guide offers a balanced perspective on the scope of spiritual warfare, what battle attitudes we should have, and how we can face spiritual conflict without losing sight of God s power and sovereignty. Scott Moreau examines biblical passages closely to give foundational truths necessary for keeping our spiritual balance in turbulent times.
