It s estimated that one in 139 American women will receive a diagnosis of HIV in her lifetime. In Poster Child: She Could Be You, author Vernica Roberson calls attention to this alarming trend. Roberson offers a collection of interviews with eight women affected by HIV-from a rowdy college girl to a pregnant mother living with her husband in a gated community. This group of mothers, daughters, sisters, friends, and wives share their courageous and revealing stories and display an array of emotions as they deal with their new realities and the choices that led them there. Emotional and evocative, Poster Child: She Could Be You communicates the message that no one is immune.
