Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

St Martin s Press, United States, 2011. Paperback. Book Condition: New. Reprint. 190 x 104 mm. Language: English . Brand New Book. On the night of the State of the Union address, President James Allaire expects to give the speech of his career. But no one foresees the horrific turn of events that leads him to quarantine everyone in the Capitol building.A terrorist group calling itself Genesis has unleashed a highly contagious virus into the building, and the only one who fully knows its deadly consequences is the president himself. Desperate, he turns to virologist Griffin Rhodes, whose alleged theft of the microbe landed him in a maximum-security federal prison. Griff knows he s innocent but is forced to barter with the government: his attempt at a cure in exchange for his release.
