## THE VIRGIN AND THE PENTACLE: THE FREEMASONIC PLOT TO DESTROY THE CHURCH

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Virgin and the Pentacle: The Freemasonic Plot to Destroy the Church, Alan Butler, Starting from what was, at its time, the most important vision of the Virgin Mary ever to take place in Western Europe, The Virgin and the Pentacle gradually uncovers a virtually unknown war that has been taking place across 1,700 years. This is the story of the battle between the orthodox Catholic Church and Freemasonry, itself the most modern manifestation of a much older religious conflict between patriarchal and matriarchal views of the godhead. Erupting occasionally in violence it is strikingly seen in the opposing visions of the Virgin Mary in the 19th century, which defined the conflicting theological parameters and led to the doctrine of the Immaculate Conception in the 1850s. Underpinning Freemasonic practice is a fraternity that has been active in Europe and beyond since the 4th century. At the heart of the Craft is a very specific social, economic and religious imperative, known only to the highest aspirants. The Virgin and the Pentacle cuts through the accusations that have been showered upon Freemasonry and shows what its true objectives have been from the start. Reading like a whodunit, it is a story of dirty tricks that have included false visions, subterfuge and even murder. The conclusions are stunning and far reaching.
