A Way to View Life

By Donna Lee Holberg

Bookstand Publishing, United States, 2011. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.A WAY TO VIEW LIFE was largely composed from the double-bunk condo of a semi truck, much of the imagery burned into my brain while driving a big-rig up and down the US interstate highways and more than a few back roads. A radical career change from restaurants and food to long-haul trucking provided the opportunity to ferment and cement the contents and finally commit something to paper. I discovered that I had, after all, an overriding theme: and that theme is about freedom and spirit. I write from a Christian perspective, though far from religious. Like everything else that evolves over time, changes and grows, so have my spiritual life and my Christian experience. Over time I have become more Christian and less religious. And though I hope to capture a Christian, as well as a non-Christian audience, I make no apologies for irreverent content. The material does, after all, span physical time from Astride My Father s Knee to An Old Chair and it does end with devotional work. Indeed, one may discover Biblical references...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
