THE HEADSHOT: THE SECRETS TO CREATING AMAZING HEADSHOT PORTRAITS

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, The Headshot: The Secrets to Creating Amazing Headshot Portraits, Peter Hurley, It used to be that the only people that needed professional-looking headshots were actors and models, but now thanks to Facebook, Twitter, LinkedIn, and social media in general, headshots are hot! They've never been more in demand than they are today, and Peter Hurley's unique headshot style and trademark look have made him the most sought-after headshot photographer in the world today. Here's your chance to learn exactly how to create "the look" that everybody's after. This is bankable stuff! If you're not adding headshots to what you offer as a photographer, you're leaving a lot of money on the table. Peter knows first-hand the secrets to not only lighting your headshots like a pro (there's a whole chapter on that alone), but in this book he reveals, in the very same fashion that made him a famous name with photographers everywhere, how he gets authentic expressions and incredibly flattering positioning that will make your clients look better than they ever have in any photo-period! It's all here: he shows you his positioning techniques, his secrets for getting genuine smiles and images that look so natural you won't believe they're posed (but of course, they are), and you'll learn the very same techniques that Peter uses to create amazing headshots for everyone from execs at top Fortune 500 companies, to Silicon Valley startups, to actors and public figures who know all too well how important a great-looking headshot really is. Peter doesn't hold anything back. He reveals all his tricks of the trade, from his trademark lighting look, to how to create good-looking backgrounds on location, to positioning tricks you won't hear anywhere else, and it's all written in Peter's...
