

Let's Pretend We're Normal

By Tricia Lott Williford

Waterbrook Press (A Division of Random House Inc). Paperback. Book Condition: new. BRAND NEW, Let's Pretend We're Normal, Tricia Lott Williford, Both small successes and epic failures combine to make teaching children "how to do life well" in a family missing a beloved dad a journey of challenge, humor, and joy. In the years since Tricia Williford unexpectedly became a widow at age 31, beautifully chronicled in *And Life Comes Back*, she has devoted much of her time and attention to raising her two young sons, Tucker and Tyler. There have been happy moments and sad moments, but more than anything unending moments of barely-contained chaos; the kind of life that comes with helping two "all boys" navigate growing up with their single parent mum who concludes ruefully, "I can't even catch a ball!" In her newest work Williford turns her spectacular writing gift to describing this new, hopeful life that serves up one opportunity after another to teach values that transcend whatever real life brings.
