A PRIEST OF THE BALDY S

AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A child left by the side of a half dead mother, rescued by fate through the hands of a woman. A rejected stone which turned out to be the corner stone. A child of great significance with unexplainable powers of healing and an incurable killer ailment. Loved by his stepmother and the exploitation by a heartless stepfather. The countless faces that his angelic gesture has made glad, healing many and setting hope and smile in their hearts. This book shows how our very own neighbour could be the angel with all the answers to our endless worries. How faith can move mountains steered by love and goodwill. It narrates how normal and paranormal power mingles and makes the unthinkable happen. Though he is equipped with these powers doing wonders he couldn't do a thing as small as healing himself which shows how nature can always control her gift to man in other words piloting our entire existence. As a child he was not accepted by the other kids, he was called names like the voodoo king, vampire child, baldie etc just because of his power. As an adult, he had no friends. While his sibling enjoys life as a teenager exploiting all that he could he isolated himself from people in order not to be singled out and humiliated. He preferred total solitary. His dreams kept his hope alive that maybe, just maybe, one day there will come a new Raphael. This book is one of its kind and I wish you don't miss it. Do your thing!.
