SHIELD OF THE BELIEVER: A SUMMARY OF EVIDENCE REGARDING THE EXISTENCE OF GOD.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A must read for anyone who wants to know about the existence of God. What topics will this book cover? --Brief history of Philosophy in the Muslim world. --How to understand and apply logic - eg Can God make a stone He cant lift? --Arguments for the Existence of God, including the Cosmological, Ontological, Teleological and Moral Argument. --Arguments against the Existence of God including evolution, moral objections and classical paradoxes. --Epicurean paradox and The problem of Evil. - If God is good, why is there Evil? --Euthyphro dilemma. - Is good loved by God because it is good, or is it good because it is loved by God? --+ Much more. This book analyses the evidence for and against the existence of God. It initially deals with the types of arguments and forms of logic that are commonly used in discussions about God, equipping the reader with the tools necessary to properly examine the debates and points put forward by atheists and theists. The arguments both for and against God are then thoroughly evaluated, explaining how sound or rational they are, the scope of their conclusions and how we should understand them. One of the great advantages of Shield of the Believer is that it explains the concepts and tricky language which so often prevents people from benefiting from the discussions around the existence of God, allowing the reader to not only improve their ability to critically analyse atheist arguments, but in fact any argument. Here are some excerpts from the introduction : Throughout everyone s life they will spend time thinking about the big questions; What am I supposed to do with my...
