

Native American Women

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

GRIN Verlag. Paperback. Book Condition: New. Paperback. 56 pages. Dimensions: 8.1in. x 5.8in. x 0.3in. Bachelor Thesis from the year 2007 in the subject American Studies - Culture and Applied Geography, grade: 1, 0, University of Hildesheim, 19 entries in the bibliography, language: English, abstract: In my Bachelors Thesis I want to introduce the culture of Native American women, and strike out especially their way of life and their importance in their tribes and communities. I want to deal with the issue of European and European American clichs about Native American women. When we as Europeans think about Native American women today we are influenced by different media like Hollywood movies and books about Native Americans. We might picture a bloodthirsty warrior, sitting on his horse, shouting, his tomahawk raised high above his head. Then we might see the lowly squaw with her baby tied to her back gathering food and little sticks for making a fire. We might also have the Pocahontas-picture in our mind and think of the romanticized story of the Indian princess that saved the life of a British soldier. I want to find out if some of these clichs are true and which ones were definitely fabricated by early settlers and continued by European whites who just did not understand Native American society. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
