Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

St Martin's Press. Paperback. Book Condition: new. BRAND NEW, Blue Heaven, C. J. Box, A twelve-year-old girl and her younger brother go on the run in the woods of northern Idaho, pursued by four men they have just watched commit murder - four men who know exactly who William and Annie are, and where their desperate mother is waiting for news of her children's fate. The kids soon find they don't know whom they can trust among their L.A. transplant neighbors, including hundreds of retired Southern California cops who've given the area its nickname: 'Blue Heaven.' As a group of dirty cops spearhead the search for William and Annie, one false move will stop these children from ever finding their way home. With true-to-life, unforgettable characters, C.J. Box has created a thriller that delves into issues close to our heart: the pervasiveness of greed, the banality of evil, and the truth about what constitutes a family. In a story where unlikely heroes find themselves at the cross-roads of duty and courage, "Blue Heaven delivers twists and turns until its last breathtaking page.
