Humanitas III: The People of Burma (Hardback)

By -

Abbeville Press Inc., U.S., United States, 2011. Hardback. Book Condition: New. 292 x 269 mm. Language: English . Brand New Book. Following the success of Humanitas and Humanitas II: The People of Gujarat, photographer Fredric Roberts now turns his lens to the captivating and controversial country of Myanmar (formerly Burma). The result of eight years of travel throughout the region, the one hundred twenty-four photographs in Humanitas III focus on the spiritually rich lives of the Burmese people. Featuring temples, portraits, scenes of everyday life, and incredible landscape, Humanitas III offers a rare view of a country that has been closed to--or avoided by--many photographers due to its social isolation and reputation for political repression. Cicero coined the term humanitas (literally, human nature) to describe the development of human virtue in all its forms, denoting fortitude, judgment, prudence, eloquence, and even love of honor--which contrasts with our contemporary connotation of humanity (understanding, benevolence, compassion, mercy). The Latin term is certainly a fitting book title as we are struck with respect and awe for Roberts's subjects' individual fortitude and eloquence rather than pity for their plight: each photograph tells us a compelling story. Edited by Britt Salvesen, the department head...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
