LOOKING BACKWARD BY EDWARD BELLAMY - A UTOPIAN NOVEL

[DOWNLOAD](#)

El Paso Norte Press. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Meet Julian West, who falls asleep in Boston for over a hundred years. . . then wakes to find himself in a futuristic socialist utopia, where people retire at 45 to live out the rest of their lives in leisure. His guide in this brave new America is Doctor Leete, with whom he discusses the wonders he encounters and the perils he envisions. These social-minded dialogues range from discussing religion, an improved legal system and class equality, to the use of credit cards, overnight deliveries, and the dangers of the stock market. Edward Bellamy wrote Looking Backward in 1887, and the descriptions of his futuristic socialist utopia quickly ignited spirited debate, and led to a political movement which came to be known as Nationalism. The book also inspired the creation of new utopian communities, as well as influencing over a century of urban planning, including the Garden city movement in England. This full size collectible edition has been designed for students and scholars, and features a new introduction, as well as a contemporary look at the life and influence of Edward Bellamy. It has been updated and completely restored for a modern audience. Excerpt from Looking Backward by Edward Bellamy - A Utopian Novel (Chapter 26) Reprinted by permission. All rights reserved. It was the sincere belief of even the best of men at that epoch that the only stable elements in human nature, on which a social system could be safely founded, were its worst propensities. They had been taught and believed that greed and self-seeking were all that held mankind together, and that all human associations would fall to pieces if anything were done to blunt the edge of these motives or...
