Joe\Bailey. Paperback. Book Condition: New. Paperback. 88 pages. Dimensions: 9.1in. x 5.9in. x 0.3in. Note: 2nd edition. Professionally edited by David Gatewood, Archmage So you want to be a wizard You know being a wizard is not all quests filled with high adventure, finding priceless treasure, warm adulation and reward, and uncovering newfound knowledge You really want to be ensorcelled by fell magics, accosted by boisterous knights, enchanted by hostile magicians, waylaid by villainous rogues, attacked by creatures from the nether realms, cursed by dread warlocks, and worse And those on some of your better days Seriously Are you crazy If you are (crazy, not serious. . . serious is optional), then Mulogo is the wizard for you and Mulogos Treatise on Wizardry is the guide you'll live by! Mulogos Treatise on Wizardry provides a concise summary in plain (well, mostly plain) language for wizards who wish to have a manual for surviving in a harsh world where people (and much nastier) want to kill you and take your stuff (usually in that order). With varied subject topics including Allies and Whether to Buy Them, On Reducing Risk (and Capitalizing on the Failure of Others), Protecting Yourself From Yourself, How to Minimize the Curiosity of Others, and When Griffins Attack, Mulogos Treatise on Wizardry will allow you to thrive. . . but first you have to survive. Hopefully you'll enjoy a few laughs along the way. (1) Scribes Notes: 1. Mulogos Treatise on Wizardry is a largely farcical text making light of wizardly conventions within the larger fantasy, gaming, and roleplaying traditions, assorted related communities and offshoots, memes, and various cultural derivatives. (2) 2. If you do not like satire, or laughing, this book is not for you. (3) 3. Perhaps a more exciting tome--such as Navel Lint, Its Permutations and...
