

The Secrets of Tropical Rainforests: Hot and Humid and Teeming with Life (Second Edition)

By Jean Hamilton, Vicki Leon

London Town Press. Paperback. Book Condition: new. BRAND NEW, The Secrets of Tropical Rainforests: Hot and Humid and Teeming with Life (Second Edition), Jean Hamilton, Vicki Leon, The rainforest ranks with dinosaurs as an enduring source of fascination for children, but has the advantage of still being around to be experienced - at least for now. In 42 color photographs, The Secrets of Tropical Rainforests introduces readers to this amazing environment, the unusual relationships between its animals and plants, and human interaction with rainforests. The book carries a strong ecological message as it explores the rainforest's crucial importance in the world ecosystem, and its extraordinary combination of resilience and fragility. Young readers learn, for example, that killing a rainforest may mean losing potent weapons against kids' cancer. Structured just as the rainforest itself is, from the roots up to the canopy, this title will amaze and delight young readers.

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- **Merritt Kilback II**

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
