

The Fossil Girl

By Catherine Brighton

Frances Lincoln Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Fossil Girl, Catherine Brighton, The true story of 10-year-old Mary Anning who, nearly 200 years ago, discovered the first complete fossil of an Ichthyosaurus, or fish lizard, now in the Natural History Museum. Single-minded Mary wants to find a really special fossil for her father's shop, and when she sees a huge eye staring out of the cliff face she resolves to bring the creature down, whatever the risk.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
