It has been two years since the starship Phoenix left Alpha Station on a rescue mission where over four thousand human spacers were under attack by a hostile alien race. Now, exhausted from their journey, the crew of the Phoenix yearns for home. But when the ship makes the jump into atevi space, they learn the worst: that supplies to the station have been cut off; that civil war has broken out on the atevi mainland; that the powerful Western Association has been overthrown; and that Tabini-aiji, Bren Camerons primary supporter and Ilisidis grandson and ally, is missing and may be dead. With no one left to lead the Western Association, Ilisidi and Bren know that the survival of their allies lies in their hands. And with the atevi world at war, the only safe landing strip lies on the human colony at Mospheira. Although there are many dangers inherent in bringing a powerful atevi leader such as Ilisidi onto human lands, Bren realizes they have no other choice. But even if they safely survive their landing, will Bren and Ilisidi together prove strong enough...
