Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Not illustrated. 1834 Excerpt: . . . The spectator of antiquarian taste will examine with attention a small chapel in the aisle of the church, the vaulting of which is decorated with fan tracery, and other analogous enrichments. The exterior of this chapel, or perhaps it was nothing more than a recess occupied by an ancient tomb, at all events it is quite erroneous to style it, as some have done, a Confessional¹, is pannelled with quatrefoils, over which is a cornice with figures bearing shields. His eye, after surveying a screen of beautifully carved oak on the left side of the chancel, will also notice the range of antique stalls, the subsellse of which exhibit various grotesque and other carvings in alto relievo. Among the subjects are to be seen a miser on his death-bed, with the priest at his head, and a leach at his feet, to whom he is offering his money bags; 2. the prodigal son; 3. a small figure holding a large goblet in each hand, designed, no doubt, for an emblem of gluttony, as he is ninety-one, we cannot refrain from saying that her coronet well deserves to be entwined with the wreath of public gratitude: indeed, her benevolent feelings, like the genius of some great men, may be said to burn brightest at the last. Without specifying the numerous charities elsewhere bestowed by this ornament of her sex, for of them we have a perfect knowledge, suffice it to observe, that in this parish, and...
