## SERIAL KILLERS VOLUME 2: EXPLORING THE HORRIFIC TRUE CRIMES OF LITTLE KNOWN MURDERERS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Serial killers fascinates. Extreme cases even more so. In Volume 2 of Jack Smith's series Serial Killers, we explore some new cases of true crime stories of little known serial killers. Serial killers are big business. From the endless books, films, and television programs to the fascination of the twenty-four hour news networks, there is something about these mass murderers that catches the eye and catches the attention. While many people are familiar with the better known killers like John Wayne Gacy or Jack the Ripper, this is not the end of the story. There are so many examples of serial killers from around the world that many of them have simply been forgotten about. But that does not make their crimes any less serious. Instead, some of these serial killers committed heinous acts above and beyond those we have come to expect when thinking about the worst psychopaths in living memory. In cases such as these, the truth is often stranger than fiction. For every Hannibal Lecter or Norman Bates, the murders committed by the people detailed in this book are often more extreme, violent, and off-putting than anything you might find in fiction. As we delve further and further into the book, we will begin to see not only the extremities of the crimes, but the difficulty that the authorities face when trying to catch a killer. With so many serial killers on the record books of human history, it is a wonder that we have caught as many as we have. Even in the cases where no one has ever been arrested for the crimes, we can learn a lot about the mind sets of...
