My Hands is the story of a life's journey as told by a mother to a child through the gestures of hands. From a childhood of tender affection and the world of play to the adult world of responsibilities, the narrator's hands reach from one generation to another. Along the way the mother's hands enjoy simple pleasures: hands that opened and closed many doors to learning. Finally, in adulthood her hands touched the lives of many around the world. In a poetic crossing of oceans, her hands trembled in happiness as she reached others in this symbolic gesture of love. This picture book is designed for young readers combining visual and narrative elements in a basic language with an easy vocabulary to help them develop good reading skills. Written in English and Spanish, the two versions are displayed side-by-side in an attempt to provide readers with an easy opportunity to learn the two languages.
