This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE NEW GLOBAL MISSION: THE GOSPEL FROM EVERYWHERE TO EVERYONE

InterVarsity Press, United States, 2003. Paperback. Book Condition: New. New.. 206 x 140 mm. Language: English . Brand New Book. Christian mission is no longer a matter of missionaries from the West going to the rest of the world. Rather, the growth of Christianity in Latin America, Africa and parts of Asia is eclipsing that of the Western church. In the third millennium of the Christian era, Christian mission is truly global, with missionaries from all places going to all peoples. Veteran missiologist Samuel Escobar presents this introduction to Christian mission today. He explores the new realities of our globalized world and assesses the context of a changing mission field that is simultaneously secular and syncretistic. He also sets forth a thoroughly biblical theology of missions, considering how God the Father, Son and Holy Spirit are at work around the world, with implications for how Christians are to go about the task of global mission.
