Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

HOME ON THE RANGE

Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, Home on the Range, Susan Fox, For Evan Kincaid, the best thing about his dusty hometown was watching it fade into the distance. Jessica Bly was the only one who didn't treat him like an outsider, and their friendship ended with one mind-blowing night of teenage passion. Now they both have the lives they planned - Evan in New York, Jess with her beloved horses in Caribou Crossing. But business has bought Evan back to Jess' Crazy Horse ranch on a mission that could destroy whatever's left of her trust. Ten years ago, Jess wanted one perfect night to remember Evan by. What she got was a broken heart and a secret that's kept them strangers ever since. The boy she knew was sexy and sweet; the man he's become leaves her breathless. And no matter how much she tells herself that country girl and city boy don't belong together, in her heart she wants to believe his home has been right here all along.
