

Switched on: A Memoir of Brain Change and Emotional Awakening (Hardback)

Filesize: 6.75 MB

Reviews

Complete information for publication enthusiasts. I have go through and that i am confident that i will gonna go through once more again in the future. Its been printed in an exceptionally basic way and is particularly just following i finished reading through this book by which basically altered me, alter the way i really believe.

SWITCHED ON: A MEMOIR OF BRAIN CHANGE AND EMOTIONAL AWAKENING (HARDBACK)

[DOWNLOAD](#)

Spiegel Grau, United States, 2016. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. An extraordinary memoir about the cutting-edge brain therapy that dramatically changed the life and mind of John Elder Robison, the New York Times bestselling author of *Look Me in the Eye* Imagine spending the first forty years of your life in darkness, blind to the emotions and social signals of other people. Then imagine that someone suddenly switches the lights on. John Elder Robison s memoir *Look Me in the Eye* is one of the most widely read and beloved accounts of life with autism. In *Switched On*, Robison shares the second part of his journey, pushing the boundaries of scientific discovery as he undergoes an experimental brain therapy known as TMS, or transcranial magnetic stimulation. TMS drastically changes his life. After forty years of feeling like a social misfit either misreading other people s emotions or missing them completely, and accepting this as his fate Robison can suddenly sense a powerful range of emotion in others as a result of the treatments: It was as if I d been experiencing the world in black and white all my life, and suddenly I could see everything and particularly other people in brilliant, beautiful color. The ability to connect emotionally with others for the first time brings him a kind of joy he has never known. And yet, Robison s newfound insight has very real downsides. As the ground shifts beneath his feet, he must find a way to move forward without losing sight of who he is, what he values, and all he has worked so hard for. Robison is our guinea pig and our guide, bravely leading us on an adventure that holds the key to new ways of understanding...
