A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.As the title of this book would suggest, Estonia and Equines is a tale of two journeys: the first is an adventure far into Eastern Europe to find out whether any members of my mother s family were still alive, after her dramatic escape from the country to marry my father. After much searching, I found my aunt, uncle and cousins in Tallinn and have visited them on many occasions with my husband Ron, to re-establish my roots in the beautiful country of Estonia. The second journey is a life-long one in the company of the horses I have owned and loved over the years. Each one had its own character and challenges, but they were all special to me -even Didge the Donkey! Because of these beautiful animals, I met wonderful people and travelled the country experiencing the thrills and spills of a life with equines. I hope you enjoy the ride!.
