Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Cab Caboose is a journey through the young life of one Rodman Ray Blake, railroad dreamer. Written in a style akin to Huckleberry Finn, it follows Rodmans meteoric rise through the ranks of railroad men. It is a tale full of adventures, derring-do, heroism, and passion for the railroad s mystique that must have evoked a genuine thrill in the hearts and minds of the young men and women who first read its pages more than a century ago. The numerous re-printings it experienced, over a great many years, seems only to prove this out. While a bit dated in some respects, it still offers young readers a glimpse of what life was like at the turn of the last century. Further, it also serves to prove that - no matter what era we live in the problems faced through adolescence never seem to fundamentally change. In this, then, it offers an enduring connection to the modern day.
