Dog Ear Publishing, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Rod Collins is the Director of Innovation at Optimity Advisors, a national management consulting firm, and a leading expert on the next generation of business management. In the age of speed we live in, new rules emerge at a breakneck pace. As a leader, you can either be blindsided by these new rules or let Rod Collins book give you a welcome heads-up and head start! Vince Poscente, author of the NY Times Bestseller The Age of Speed Rod Collins has written an engaging and insightful book that clearly answers the question of how the principles of complexity theory can be practically applied to leading large organizations. Leadership in a Wiki World is a timely and highly readable guide that shows business leaders how they can use the rich reservoir of their collective knowledge to meet the challenges of an increasingly complex world. Lisa Kimball, President, Plexus Institute Leadership in a Wiki World provides tremendous insight into how to lead and manage complex, multipartner, large scale business enterprises. Rod Collins experience as one of the key leaders within the Blues and his accomplishments as the chief operating executive of the single largest employer health plan in the world prepared him well to offer the insights captured in this book. If you want to know what the future of management looks like, I strongly encourage you to read this book. Steven S. Martin, Chairman, Board of Managers of the Blue Cross Blue Shield Federal Employee Program, and President CEO, Blue Cross Blue Shield of Nebraska There s a revolution brewing that is about to end the world of work as we know it. We are fast...
