Lighthouse Publishing. Paperback. Book Condition: New. Paperback. 170 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. What does it mean to find your purpose in life? How can you know this - job, career move, decision - is your destiny? Can you really find God's will and joy in your work? The word discernment comes from two Latin words: discernere (to perceive) and discretis (to separate). To discern God's voice and will is to hear His voice whisper: Pssst, over here! In both Hebrew and Greek, the word will means to yearn. When we say, Lord, Your will be done, we are asking God to infuse His deepest yearnings into our spirit and alter the circumstances of our life in order that we may grow. God sees beyond our past and knows our secret desires, even those desires yet to be born. In My Fathers Business, you will see how others responded to the yearning God placed within their heart and enjoyed their Father's blessing. Inspirational stories featuring: Bruce Wilkerson, George S. Patton, Walt Disney, Mother Teresa, Abraham Lincoln, Colonel Sanders, Jeremy Lin, Jim Valvano, and others with selected quotes from Oswald Chambers. As you seek to discern and do God's will, ask the following questions: Will this course of action use my gifts, talents, and passions? How has my previous experience prepared me for this task? Will this new opportunity cause me to be more loving? Is this an expansion of my influence for God? Will I feel more fulfilled and have a greater sense of inner peace? Who will benefit from my actions? What will it cost me and my family? Is this a time-sensitive opportunity? We often complicate the business of knowing God's will, but His word is clear: And You will seek Me and find Me, when you...
